236-237
258-261
280-281
308-335
452-457

Read these pages carefully

Examine the illustrations on these pages carefully

Make sure you understand the general structure and function of the body part.

It is not necessary to memorize the names of individual structures.

Focus on understanding the concepts being presented.

Items to memorize will be given in class
